

BIG-MULTIPURPOSE-WOOD-WORKING-PLANNER

MULTIPURPOSE WOOD WORKING PLANNER (6 IN 1)

	WM-156	WM-157	WM-158	WM-159
Surface	260mm	310mm	450mm	600mm
Thickness	260x160mm	310x160mm	450x230mm	600x230mm
Circular saw dia	300mm	300mm	300mm	300mm
Moulding capacity	20 to 60mm	20 to 60mm	20 to 60mm	20 to 60mm
Slotting table size	180x400mm	180x400mm	180x460mm	180x460mm
Motor Power required	2hp 1440rpm	2hp 1440rpm	5hp 1440rpm	7.5hp 1440rpm

Other operations performed on this machine:

- » Drilling
- » Mortising
- » Blade grinding
- » Grooving
- » Pattam Cutting

Accessories and Tooling with the machine:

- » 4 nos. Planner blades (fitted with the cutter block)
- » 2 nos. Grooving (jhirri) cutters 3/4" & 1/2"
- » 1 no. Rebating/ grooving cutter with changeable knives.
- » Drills for making holes & mortising size 3/8", 1/2", 5/8" & 1".
- » Grinding attachment with grinding wheel and blade holder.
- » Grease gun & oil can.
- » Pipe wrench.
- » Appropriate key and spanner set.
- » One moulding tool
- » One mandrel for holding moulding tools
- » One collet for holding drills
- » One plane and grooved roller for moulding
- » One circular saw diameter 300mm
- » One motor pulley
- » V-belt.
